PRESS RELEASE

Marshalls Pasta sponsors Pinarello Racing Team

Marshalls Pasta are proud to announce their 2009 sponsorship of Pinarello RT, the UK's premier road racing cycling team.

The team will be known as 'CandiTV - Marshalls Pasta'.

This amazing team features some of the UK's top riders, including Russell Downing and Malcolm Elliot, and they will be looking to build upon their successful 2008 season.

Team Manager Phil Griffiths commented, "We are really excited about teaming up with Marshalls Pasta. Everybody knows that pasta and cycling is the perfect match - it's a marriage made in heaven."

Great pasta starts with great wheat. Since the 1880s, Marshalls have only ever used the finest quality Durum wheat. While being famous for Macaroni, Marshalls make just about every kind of pasta imaginable including Twists, Quills, Spirals, Spaghetti, Lasagne and Tagliatelle and although times change, the quality remains exactly the same.

Peter Barry, Managing Director of Marshalls Pasta commented, "The link between cycling and healthy eating was too good to miss. Professional cycling teams swear by eating pasta to ensure their energy levels are maintained. With an incredible medal haul at the 2008 Olympics for Team GB, cycling has never been more popular."

Marshalls Pasta will be giving the team all the support they need throughout the year, not least all the pedal power on a plate that they can handle.
